### School Description

Frank Paul Elementary School, home of the "Riders" is located at 1300 Rider Avenue in the city of Salinas. Our school serves more than 800 students in grades kindergarten through sixth grade. The One Way Bilingual program exists at grades kinder through sixth. We have two special education day classes, which support children in grades third through sixth. Our vision is to continue to provide our students with engaging instruction, enriching learning opportunities and the willingness to push them as far as we can academically. Our teachers believe in the importance of strong instructional practices along with the implementation of research-based instructional strategies.

The instructional program is comprehensive in all curricular areas based on common core state standards and district guidelines. Teachers meet on a regular basis to negotiate program content, pacing, and student progress. Our instructional program is supported by Accelerated Reader, guided reading interventions (Tier I, II and III), Accelerated Math. In addition, children in grades Kindergarten through sixth grade participate in the 1:1 technology program. Instructional practices include multiple opportunities for technology-based instructional projects. The goal is to provide children with the opportunity to learn using the latest educational applications, which support the curriculum.

This is the seventh complete year of our after school program. The program offers our students academic and enrichment activities including structured tutoring and homework assistance, reading/language arts, English language development, and math. The enrichment activities include music, drum-line, guitar lessons, and gardening. In addition, we have a mariachi group made up of our migrant population. The Reading program includes Lexia, Reads Naturally, and Reading A-Z, depending on the child's needs. Math programs include Triumphs, and Rewards. The school offers extracurricular activities such as soccer, basketball, volleyball, and flag football.

Frank Paul Elementary school has a strong partnership of staff, students, parent, and community through monthly meetings. The encouragement and participation in school activities supports the idea that every child can learn and every child will.

Our mission Statement: As a community committed to cultivating peace and the value of bilingualism, we will prepare all our students to be socially responsible and to attain academic excellence by engaging them in a world class multicultural education. With high expectations for all, and respect for the culture of our community, the Alisal School District is committed to providing a nurturing environment, promoting academic excellence and bilingualism, and preparing students to successfully enter a global society.

Our goals and expectations include a safe and orderly environment, high expectations for student learning, high levels of student learning, and effective communication and collaboration.

We invite you to visit our school.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

In order to support classroom professionals in teaching the Language Arts and Math Common Core State Standards, Engage NY curriculum, in both content areas was recommended and adopted as district curriculum. Both Engage NY Language Arts and Math were piloted and feedback from teachers attested to the ability of these common core resources to meet the requirements of the new common core state standards (CCSS).

In Language Arts:

K-1-2-3 Wonders is used to teacher all Language Arts standards.

4-6 used Engage NY solely to teach all Language Arts standards.

In Math:

At K-6, teachers used both the adopted Everyday Math curriculum and Engage NY Math, selecting one as their primary resource and the other as a secondary resource.

Bilingual Transference classrooms were able to use the Engage NY Math because student materials became available.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Frank Paul School provides a safe and clean environment for learning. Our custodial staff consists of a lead day custodian and two evening custodians. Each classroom, restroom, and office is cleaned daily. District personnel maintain landscaping and provide other operational services. If the need arises, a work order is placed and repairs are made.

Frank Paul is a 28-year-old modular school, with an additional 10 rooms added two years ago. The school consists of 33 regular classrooms and four preschool classrooms, one of which is an outside facility, which rents out the space. Our school has only three permanent buildings: our multipurpose room and two classrooms. Our multipurpose room serves as our cafeteria and events center. In case of inclement weather we use our satellite cafeteria to help manage the number of children out a the same time.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	22	26	24	28	48	48
Math	16	22	18	21	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	134	131	97.8	17.6
Male	76	75	98.7	17.3
Female	58	56	96.6	17.9
Hispanic or Latino	132	129	97.7	17.1

English Learners	81	79	97.5	8.9
Students with Disabilities	15	15	100.0	20.0
Students Receiving Migrant Education Services	13	12	92.3	8.3

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	31	18	31	28	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	17.6	12.8	5.6

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)

Students Receiving Migrant Education Services	53	52	98.11	13.46
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

Frank Paul encourages our parents to participate in several organizations and activities. There are a variety of opportunities for parent involvement depending on their interests. The School Site Council works with the administration to help make organizational and financial decisions. Meetings bring community organizations on campus to talk about services and provide them as needed. The English Language Advisory Committee (ELAC), which works alongside our School Site Council, discusses issues pertinent to English Learners and makes decisions accordingly. District English Learner Advisory Committee (DELAC) members represent our English Learner issues at the district level and update our members at our site. After school enrichment program tutorials provide ideas and activities that parents can use to help their children at home. For parent involvement opportunities at Frank Paul Elementary School, please contact the principal, Mrs. Yolanda McIntosh at (831) 753-5740.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Maintaining a safe and orderly campus is our main concern. Staff members monitor the school grounds before and after school, at recess, and at lunch time. Teachers regularly review the rules for safe and responsible behavior and are active in making changes, which keep our students and staff prepared and safe. Visitors must enter the school through the main office, sign in, and receive a visitor's badge. This helps us account for all in the event of an emergency.

Our School Safety Plan is revised annually as was the case this year. The plan includes procedures for emergencies, exit routes, roles and responsibilities for staff members, and inventories of emergency supplies. We share the plan with all staff members at staff meetings. In addition, the school site council helps with revisions and approval. Students and staff practice fire and earthquake drills four times a year and lock-down procedures twice a year. In addition, we hold annual emergency preparedness training for staff, as needed.

### Professional Development provided for Teachers

The major areas of professional development for teachers in 2016-2017 included the following:

- Standards-based planning for instruction, learning and assessment
- Bilingual Transference (for teachers facilitating Alternative Bilingual Education classes)
- One Way Bilingual Program
- EngageNY Math
- EngageNY Language Arts
- CCSS instruction
- Teaching to the Math standards (primary grade teachers)
- ELD instruction and lesson planning
- ELD: Integrated and Designated instruction
- Grade Level Team Planning
- Data analysis
- Purposeful teaching
- Strategic teaching
- Guided Reading

Professional development was delivered through staff meetings, GLT sessions, and professional development days.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
