Creekside Elementary School is committed to working in collaborative teams in order to meet the academic and emotional needs of all students.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Creekside School opened in September 1998 and is a modern educational facility. The school site is located adjacent to a city park. There are 33 modern classrooms, a large multipurpose room and cafeteria, an office building incorporating a staff lounge, nurse’s office, and handicapped-accessible bathroom facilities. The library is in a separate building and combined with the computer lab. We have one day custodian and two night custodians who keep our facilities clean and well maintained. The campus also became completely secured by locking gates (closed campus).

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

In the 2019-2020 school year our parent involvement included multiple LCAP meetings to inform parents of the new LCFF funding allotments. Despite the unprecedented COVID-19 crisis, throughout the school year and after the March 13th shelter at home order, our school continued to hold monthly Parent "Coffee Klatches" that provide parents the opportunity to have informal virtual coffee meetings with the Principal as a way to provide feedback. The Creekside Parent Teacher Club (PTO) involves parents and staff in raising funds to support student academic achievement. The PTO supports many valued additions to the Creekside curriculum, including educational field trips, supplemental reading materials, Literacy Month activities. Creekside parents participate in school governance through the School Site Council, the English Learner Advisory Committee, and the District English Learner Advisory Committee. During this school year we also held parenting classes. Creekside offered the Parenting Partners Program which consisted of eight workshops providing leadership and communication skills to parents. In addition, we offered the Positive Parenting Program which provided a ten class course focusing on positive relationships between parents and children. For more information about how to get involved at your school, please contact Mr. Ulises Gonzalez Reyes, School Principal at (831) 753-5252.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a top priority at Creekside. The buildings and grounds are monitored and inspected each morning by the head custodian and the administration to note potential physical dangers. Supervisors, custodians, and administrators consistently monitor the school site for adults entering the campus. All visitors are directed to check in and out at the front office and wear a visitor badge while on campus. We hold monthly safety meetings with the yard supervisor staff to review safety procedures.

The initial School Safety Plan was developed by a safety committee consisting of school administration, teachers, and classified employees and approved at a public meeting on January 31, 2019. The most current revision was completed in Winter 2020. We conduct monthly fire, earthquake, hostile intruder, or evacuation safety drills. Our safety committee members attended and staff has been trained on A.L.I.C.E protocol.

After the shelter in place order announced by our Governor on March 13, 2020, our main safety procedures have shifted due to the COVID-19 unprecedented crisis. All staff members and visitors are required to wear face masks, take temperature upon entry to the school campus, maintain social distancing, and report the school administration after developing any of the CDC identified symptoms, or being in contact with a positive case. In order to prevent a mass schoolwide infection of COVID-19, the school remains closed and students and teachers are going through remote instruction. All safety procedures are adapted based on CDC and MCHD guidelines.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Types of Services Funded

The following priorities were included in the SPSA with support from funding allocated to the site; two intervention teachers that focused on literacy with primary grade teachers. The Accelerated Math program was purchased for grades 3rd -6th and Scholastic Reading was used in grades 2nd-6th. We also implemented PBIS (positive behavior intervention system) as a Tier 1 School. The Stick-n-Stones program complemented our PBIS efforts by helping us reduce bullying on campus. Library books were purchased in order to provide students more access to non-fiction books. We also implemented Peer Mediators through the Restorative Justice Partners in the Schools program. In regards to our instructional program, all teachers were trained on Close Reading and Writing strategies through the STORM program.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
