School Description

Welcome to John E. Steinbeck Elementary School, the Home of the Ponies! School pride, academic achievement, parent involvement, and a dedicated staff create a caring learning community for all Steinbeck students.

The mission of John Steinbeck Elementary reflects that of the community. It is our mission to meet the academic, cultural, social, and individual needs of students in order to prepare them to make a meaningful contribution to a democratic society.

Steinbeck is home to 565 students in Transitional Kindergarten through Sixth grades. Steinbeck is also home to four special education classes for children with communication challenges. In tandem with instruction geared to meet each student's individualized education program, an emphasis of this program is to provide appropriate inclusion in the general education classes, thus enriching the learning experiences of both special and general education students alike. The student body is comprised of children whose ethnicities include Filipino (3%), White (19%), Hispanic (64%), and Black/African-American (2.3%), American-Indian/Alaskan (4.2%), Other Pacific Islander (2%), Asian Indian (1.2%), Other Asian (1.2), Chinese (.03%), Guamanian (0.1%), Hawaiian (.01%), Vietnamese (0.1). A workforce of 26 teachers, 29 support staff, an Instructional Coach, a grant-supported After School Program, and two site administrators provide a learning environment that is focused on student success.

To meet the needs of all of our boys and girls, Steinbeck provides a myriad of differentiated learning opportunities including, but not limited to, Intervention and enrichment. This year we are continuing our Lexia5 Core, Achieve 3000, and academic interventions, providing students with additional research-based support in reading, writing, and mathematics. Our supportive PTO continues to provide art instruction with a teacher from the Arts Council. We are proud to offer a Korean Language and Culture Class for students in third through sixth grades. Character Education has a role of critical importance, and is woven throughout Steinbeck's learning environments. Steinbeck is implementing all three phases of PBIS Tier 1 - 3 Character Education will continue to be supported by PBIS and practical implementation throughout the 2020-2021 school year. Academic achievement, character development, community service, and school spirit are the emphasis of the Student Council.

Steinbeck Elementary has maintained a tradition of excellence in education over time. Among the school's many strengths are its outstanding student-centered programs, strong academic curriculum, and dedication to lifelong learning. Commitment of the school staff (school site and district committees) and support of parents (PTO, DELAC, SSC) and the community, coupled with student diligence and determination, has created a rich educational environment at Steinbeck. Steinbeck stakeholders are proud of the traditions of excellence throughout the school; teachers and support staff maintain high standards for themselves and for their students. Steinbeck students and graduates take pride in being lifelong "Ponies".

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Steinbeck Elementary has 34 classrooms, a multipurpose room, a library, and an administration building. The school opened in 1990 in portable facilities, and the main (permanent) campus opened in 1992; a two-story addition was constructed in 2002. There are eight classrooms, an elevator, two student restrooms, and two staff rest rooms located in the two-story building. Steinbeck's spacious garden was revitalized and improved during the 2016-17, 2017-18, and 2018-2019 school years.

We have one daytime custodian and two evening custodians who keep our facilities clean and secure. The grounds at John E. Steinbeck Elementary are well maintained by our custodial and district maintenance staff.

B. Pupil Outcomes

State Priority: Pupil Achievement
The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
* Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)
Parent involvement is fundamental to the success of Steinbeck Elementary students. We encourage parents to participate in all activities and to attend site parent meetings, including Parenting Partners, School Site Council, Title 1, District Advisory Committee, and Parent Teacher Organization meetings (PTO). Steinbeck parents routinely participate in District committees and task forces. Parents of students in Special Education are an active part in the development and implementation of their child's Individual Education Program. Parents are also invited to attend our awards assemblies which recognize students with outstanding achievements at the end of each trimester. Parents are always welcomed and encouraged to volunteer in classrooms and on campus, and as chaperones on grade-level field trips.

In conjunction with special Parent Education offerings hosted by the school, parents are strongly encouraged to attend Parent-Teacher Conferences (fall and spring), Back-to-School Night in the fall, Open House in the spring, and math, reading and science family nights hosted by the school.

Through their fund-raising efforts, the PTO supports a full-time art teacher for art/music instruction in Transitional Kindergarten through sixth grades. The PTO offers a variety of enjoyable student activities such as the Fall Festival, a Holiday Craft Boutique and Workshop, fall and spring book fairs, an airplane contest, movie nights, Father-Daughter and Mother-Son Dances, and the Spring Art Show. Each of these events is either a wonderful fund-raiser or community outreach which serve to bring the community together! Students in third through sixth grades participate in District-sponsored volleyball, football, basketball, and soccer teams. Parents participate and support our boys and girls in these endeavors through coaching and ardent participation. For parent involvement opportunities, please contact Mr. Genaro Anaya, Principal at (831) 753-5780.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)
Steinbeck began implementation of PBIS in 2015-16, with Tier 1 strategies, and has continued the progression through Tier 3. In 2018-19, PBIS team members were trained in Tier 3 strategies. PBIS is a key component of the school's safety plan. Steinbeck Elementary School Site Council reviews campus safety needs and revises the School Safety Plan annually. The plan includes procedures for responding to emergencies on campus. Students and staff review and practice safety drills monthly during the school year. The school administrators and staff routinely work with local law enforcement to address community and site-specific safety issues.

Supervisors, staff and administrators monitor students in the cafeteria, at the bus areas, and on the playground in the morning, during recess, lunch, and after school. The school has a fence and gate system (installed in the fall of 2013), allowing the campus to remain secure. Visitors must sign in at the main office and receive a visitor's pass upon entry to the school.

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	9	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
