2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Frank Paul Elementary School, home of the "Riders" is located at 1300 Rider Avenue in the city of Salinas. Our school serves more than 589 students in grades transitional kindergarten through sixth grade. The One Way Developmental Bilingual program exists at grades kinder through sixth. We have one special education day classes, which support children in grades third through six. Our vision is to continue using collaborative conversations by using academic vocabulary, and to provide our students with engaging instruction, enriching learning opportunities and the willingness to push them as far as we can academically. Our teachers believe in the importance of strong instructional practices along with the implementation of research-based instructional strategies.

The instructional program is comprehensive in all curricular areas based on common core state standards and district guidelines. Teachers meet on a regular basis to negotiate program content, pacing, and student progress. Our instructional program is supported by Accelerated Reader, guided reading interventions (Tier I, II and III), and Accelerated Math. In addition, children in grades kindergarten through sixth grade participate in the 1:1 technology program. Instructional practices include multiple opportunities for technology-based learning projects. The goal is to provide children with the opportunity to learn using the latest educational applications, which support the curriculum.

This is the eighth complete year of our after school program. The program offers our students academic and enrichment activities, including structured tutoring and homework assistance, reading/language arts, English language development, and math. The enrichment activities include music, drum-line, guitar lessons, folklórico, chess and gardening. The Reading program includes Lexia, Reads Naturally, and Reading A-Z, depending on the child's needs. Math programs include Triumphs, and Rewards. The school offers extracurricular activities such as soccer, basketball, volleyball, and flag football.

2022-23 School Overview

Frank Paul Elementary school has a strong partnership of staff, students, parent, and community through monthly meetings. The encouragement and participation in school activities supports the idea that every child can learn and every child will.

Our mission Statement: Frank Paul Elementary School

We believe. . .

All students and families deserve an equitable, nurturing learning environment, so that learning is an enjoyable practice, permanent to their lives, developing into lifelong learners and leaders of tomorrow.

All students can learn about civic duty, to become active members of society, and their community.

All students have access to differentiated instruction to ensure success.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Frank Paul School provides a safe and clean environment for learning. Our custodial staff consists of a lead day custodian and two evening custodians. Each classroom, restroom, and office is cleaned daily. District personnel maintain landscaping and provide other operational services. If the need arises, a work order is placed and repairs are made.

Frank Paul is a 30-year-old modular school, with an additional 10 rooms added two years ago. The school consists of 33 regular classrooms and four preschool classrooms, one of which is an outside facility, which rents out the space. Our school has only three permanent buildings: our multipurpose room and two classrooms. Our multipurpose room serves as our cafeteria and events center. In case of inclement weather we use our satellite cafeteria to help manage the number of children out a the same time.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	23	N/A	27	N/A	47

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Frank Paul encourages our parents to participate in several organizations and activities. We continued having parents participate through technological services such as: Google Meets, Seesaw, Black Board Connect and Google Classroom. There are a variety of opportunities for parent involvement depending on their interests. Throughout the 2022-23 school year, three stakeholders meetings were calendared to make sure parent ideas were heard by the Alisal Union School District. Along with these stakeholders meetings, virtual School Site Council, and the assistance of administration, financial decisions were carefully calculated for all students. Meetings bring community organizations on campus to talk about services and provide them as needed. The English Language Advisory Committee (ELAC), which works alongside our School Site Council, discusses issues pertinent to English Learners and makes decisions accordingly. District English Learner Advisory Committee (DELAC) members represent our English Learner issues at the district level and update our members at our site. After school enrichment program tutorials provide ideas and activities that parents can use to help their children at home. For parent involvement opportunities at Frank Paul Elementary School, please contact the principal, Mr. Miguel Porras at (831) 753-5740. EXT.3765

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Suspensions	0.00	0.59	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Maintaining a safe and orderly campus is our main concern. Staff members monitor the school grounds before and after school, at recess, and at lunch time. Teachers regularly review the rules for safe and responsible behavior and are active in making changes, which keep our students and staff prepared and safe. Visitors must enter the school through the main office, sign in, and receive a visitor's badge. This helps us account for all in the event of an emergency.

Our School Safety Plan is revised annually as was the case this year. The plan includes procedures for emergencies, exit routes, roles and responsibilities for staff members, and inventories of emergency supplies. We share the plan with all staff members at staff meetings. In addition, the school site council helps with revisions and approval. Students and staff practice fire and earthquake drills four times a year and lock-down procedures twice a year. In addition, we hold annual emergency preparedness training for staff, as needed. ALICE (Alert Lockdown Inform Counter Evacuate) trainings have trained administrators, students, and parents. These trainings are ongoing and make sure that our school remains a safe haven for all students who enter our doors. Safety for all, continues to be one of our primary concerns! Through the pandemic of Covid 19, Frank Paul Elementary School continues ongoing safety trainings using Google Meets as the platform to inform all personal at the site. Due to Covid 19, all personnel are allowed to wear face masks, take temperature on entry of the school, and maintain social distancing as needed.
