## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Our mission is to develop well-rounded citizens in all academic areas, including technology, emphasizing English Language Learners. Through social-emotional support and differentiated instruction, we will cultivate a positive, collaborative school culture that fosters high academic achievement in all subject areas.

César E. Chávez Elementary School serves approximately 655 students from preschool through sixth grade. Our student population includes 99 percent Hispanic students and 62 percent English Learners.

The Chávez teaching staff is committed to collaboration and articulation within and across grade levels. Our teaching staff is well-trained to meet the needs of our English learners and our English-speaking students. Chavez Social Emotional Learning Message: César Chávez Elementary is a safe place that aims to empower our students to identify and validate feelings (self and others). By modeling for our students, we can teach them how to self-regulate and use communication skills that will positively affect their social and academic growth.

The school counselor and principal work closely with the school and community to work on projects during the school year. In addition, the School Site Council and Site Leadership (Learning) Team meet monthly to review student achievement data, analyze the effectiveness of programs, determine the progress of actions in the school plan, and revise the school plan as needed.

All Cesar E. Chavez School community members work together to provide each child with a successful school experience.

**A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
<b>Permits and Waivers</b>	2.00	1.00
<b>Misassignments</b>	0.00	0.00
<b>Vacant Positions</b>	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	2.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	0.00	1.00
<b>Local Assignment Options</b>	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	6.4	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

In order to meet requirements for common core state standards (CCSS), materials were updated as part of the 2018 adoption. K-6 Wonders/Maravillas is used to teach all Language Arts standards. In K-6, teachers use Eureka Math.

### School Facility Conditions and Planned Improvements

César E. Chávez School is 28 years old. The school garden has been remolded and turned into an outdoor classroom. The grass area has been upgraded by replacing a lime-treated area with new grass. This motivates the students to keep their school safe and clean. A second play structure has been added to the playground area to serve the student population better. Our custodial and district maintenance staff work hard to maintain a safe and clean campus.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	23	25	27	27	47	46
<b>Mathematics</b> (grades 3-8 and 11)	17	17	16	19	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

At Cesar E. Chávez School, we believe that parents play a critical role in their children's success, and we recognize and value the importance of parental involvement. We at Chavez have numerous ways parents can be involved at César E. Chávez Elementary School. In addition to helping with homework and attending parent conferences, parents are also involved in school events. They also take on leadership roles in our school through the Parent Teacher Club and School Site Council.

We welcome all parents and encourage our parents and family members to visit or volunteer in the classrooms or at the site during on-site instruction. A true effort is made to maintain ongoing, collaborative home-to-school communication in English and Spanish. Parents at César E. Chávez also continue to participate in classes and programs offered through Alisal Family Resource services. Every month, the school counselor and principal offer a parent meeting with different topics being presented as requested by parents and community members.

In addition to attending Back-to-School Night and Open House, parents can volunteer in classrooms, chaperone field trips, support school fund-raisers, and attend parent-teacher conferences in the Fall and Spring. We also have several fun events throughout the school year, which include movie nights and PBIS school-wide events. We reach out to support and communicate with parents in all community segments. Our parents provide vital support to our students and staff! Parents attend student performances and are invited to our Student of the Month Awards trimester, academic attendance, and Positive Behavior Intervention Support awards ceremonies. Parents may contact any staff member to express interest in being more involved in school activities. For more opportunities to participate at our school, please call your school Principal, Veronica Medina (831) 753-5224.

## 2023-24 School Safety Plan

Student safety and well-being are of utmost importance here at César E. Chávez. Students must feel safe and believe they can learn to succeed in a rigorous learning environment. The school maintains a strict student code of conduct and strongly supports each classroom environment by responding proactively to student discipline issues through the PBIS school-wide implementation.

We revise our School Safety Plan annually, which will be reviewed and approved by our School Site Council by February 2024. School Site Council members are also informed of the mandated contents and procedures. School Site Council has the opportunity to provide input and feedback. The School Site Council approves the plan by the end of February, and then the plan is submitted to the Monterey County Office of Education by March 1st. The plan includes procedures for emergencies, exit routes, and the location of emergency shut-off stations. We make the plan available in the school office and share it with all staff during one of our staff meetings of the school year. The school site's safety plan is reviewed annually by staff and the School Site Council. Staff is informed of the contents of the plan, where the plan is located, and how the plan can be used. School Site Council members are also informed of the mandated contents and procedures. School Site Council has the opportunity to provide input and feedback.

Student safety and well-being continue to be of the utmost importance at César. Chávez School. We have an emergency, earthquake, lockdown, and monthly fire preparedness drills. Campus supervisors monitor school grounds before and after school, at recess, and at lunchtime with administrators' support. In addition, two teachers are assigned to yard-duty supervision before school, in the morning, and in mid-morning recess. Supervisors attend monthly meetings with administrators on campus safety to review the rules for safe, respectful, and responsible behavior, resulting in an entire campus systemic supervision process. In class, students receive character education matched to our PBIS behavioral expectations: Be Respectful, Responsible, and Safe.

Our PBIS is a school-wide positive behavior intervention and support program. Our Whole-Child division counselor provides in-class training to our students and teachers on topics around bullying and prevention. Teachers regularly review the rules for safe and responsible behavior. We require all visitors to enter the school through the main office door, where they sign in and receive a visitor's badge. Most recently, our staff has begun training on ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Training, which focuses on providing preparation and a plan for individuals and organizations to more proactively handle the threat of an aggressive intruder or active shooter event.
