## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

We at Sánchez believe in a world-class education by building relationships, having a growth mindset, and promoting equity. Every student will experience success in the classroom, the community, and in life. Students are recognized for their individual and collective achievements, and staff works collaboratively to provide rigorous academic experiences.

Jesse G. Sanchez School staff sees children for the special gifts they bring to school, their language, their culture, their experiences and their enthusiasm. The staff builds on these strengths to provide all children with a positive learning environment in order to build perseverance in students so they may overcome the negative environmental factors that may thwart success at school and in life. Additionally, we implement a collaborative decision-making process, as well as use a data analysis process to ensure students receive targeted grade-level instruction, along with additional support if needed.

Jesse G. Sanchez Elementary School serves approximately 680 students from preschool through sixth grade. Our student population includes 99% Hispanic students and 73% English Learners. Jesse G. Sanchez Elementary currently has an After School Program that serves over 100 students on a daily basis. During our After School Program, students are able to participate in:

- Music Education in partnership with the Alisal Community Arts Network (ACAN)
- Small group support with home and classwork assignments

Jesse G. Sanchez Elementary continues to offer programs to our students on Saturdays via a partnership with Hartnell Community College which are the NASA SEMA Program, and Coder Dojo Academy. Moreover, Alisal Community Arts Network (ACAN) offer a music program on Saturdays. Nonetheless, Jesse G. Sánchez believes in providing students with research based instructional strategies that support their reading, critical thinking, discourse, reasoning & problem solving, and writing skills. Our staff is undergoing Write Up a STORM year 5 and BeGlad professional development to support students in the areas previously mentioned.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	29.00	93.55	298.50	85.41	228366.10	83.12

<b>Total Teaching Positions</b>	31.00	100.00	349.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	31.00	93.94	294.00	86.22	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
<b>Permits and Waivers</b>	1.00	0.00
<b>Misassignments</b>	0.00	0.00
<b>Vacant Positions</b>	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
<b>Credentialed Teachers Authorized on a Permit or Waiver</b>	0.00	0.00
<b>Local Assignment Options</b>	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	6.4	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

In order to meet requirements for common core state standards (CCSS), materials were updated as part of the 2018 adoption.

K-6 Wonders/Maravillas is used to teach all Language Arts standards.

In K-6, teachers use Eureka Math.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	23	24	27	27	47	46
<b>Mathematics</b> (grades 3-8 and 11)	11	12	16	19	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

During the 2023-2024 school year parents will continue to have some opportunities to participate in their children's education. These opportunities included:

- Monthly School Site Council and English Language Advisory Committee Meetings
- Parenting Partners workshops
- Parent Teacher Club
- Monthly Coffee Klatch Meetings
- Computer classes and English Classes offered by the MLK Family Resource Center
- Our classroom teachers offer evening parent workshops on at-home teaching strategies
- 

Also all parents are always invited to participate in the following:

- Back-to-School Night in the fall and Open House in the spring
- Student of the Month awards assemblies
- Accelerated Reader Trimester Awards Assemblies
- Perfect Attendance Assemblies
- School Spirit Days
- Monthly Coffee Klatch Meetings & School Site Council Meetings
- Halloween Parade
- Fall Festival
- 

Parents are encouraged to participate in their child's education by having an open communication with the classroom teacher. For parent involvement opportunities please contact school principal, Genaro Anaya at: (831) 753-5760.

## 2023-24 School Safety Plan

The school Safety plan this year focused on providing a safe place for all employees working at the site, and students attending school. Our school is providing in person instruction to all students. Parents are allowed to enter our campus to drop off or their child and pick up their child during dismissal, and or visit the school office for questions or concerns, or visit their child's classroom by appointment only.

Teachers, child supervisors, and administrators help monitor the school grounds during recess, before school, and after school. Parents may stay on campus only if attending parent teacher conference, or IEP meetings, or by appointment. Coffee Klatch meetings are held in person.

The school safety plan focuses on procedures for fire drills and evacuation routes. It also includes steps for earthquake preparedness and lockdown procedures. Students practice fire drills on a monthly basis and earthquake drills twice during the year. Staff and students have been instructed on the steps to take in the event of an armed intruder on campus or nearby, and about appropriate lockdown procedures. This revision was presented to parents during a School Site Council meeting in the Winter of 2023.

School gates are locked at all times. All students enter through the front gate by the main office starting at 7:35am, which is locked at 8:20am every day. This helps prevent unauthorized visitors from entering the campus during the school day. The gates are opened again 5 minutes before the end of the school day while students are being picked up. Parents are allowed to enter our campus during student dismissal to pick up their children.

Staff completed the first two modules of the Active Shooter/Killer training, and module 3 of the training will continue during the school year.

We review these procedures with staff and parents at the beginning of the school year at staff meetings, parent meetings, and in parent memos. We review them again throughout the school year as needed. School staff continues to received training on Positive Behavior and Intervention Support, PBIS, a school wide discipline plan designed to reward positive student behavior.
