School Description

Welcome to Alisal Community Elementary School, home of the Tigers. We are a community of outstanding students, teachers, and parents. The Alisal staff provides every child with a rewarding and enriching educational experience. Our staff and community are dedicated to continually supporting our students in "striving for academic excellence."

Together, we have developed high expectations and provide the students the support to meet these expectations. We hold high expectations of ourselves as teaching professionals and of students as learners. We believe all our students can learn to their full potential! We encourage parent participation and support throughout the year. By working as a team of teachers, students, and parents we can reach and celebrate achievements together, Working Hand in Hand Toward School Improvement.

Through strong academic programs, parent involvement, and hardworking teachers, Alisal Community Elementary School is a thriving and successful learning community.

The After-School Education and Safety program provided additional support for our students in academics, sports programs, and even the arts.

School staff supported our students in a number of academically based afterschool programs.

We had a strong representation in sports, with a number of teams playing in programs in conjunction with the City of Salinas Recreation Department as well as internally with the Alisal Union School District.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (831) 753-5720.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

In order to support classroom professionals in teaching the Language Arts and Math Common Core State Standards, Engage NY curriculum, in both content areas is being recommended to fill gaps in the Treasures curriculum and those that have also been found in the Everyday Math curriculum.

Both Engage NY Language Arts and Math were piloted and feedback from teachers attested to the ability of these common core resources to meet the requirements of the new state standards and fill gaps in our current adoption materials.

In Language Arts:

K-1-2 will continue to use Treasures to teach Foundational Skills and use the Engage NY Listening and Learning Domains to address the remaining standards.

3-6 will use Engage NY solely to teach all Language Arts standards.

Because Engage NY is not yet available in Spanish, Bilingual Transference classrooms will continue to use Tesoros and adapt it as needed to meet the common core state standards.

In Math:

At K-6, teachers will use both the adopted Everyday Math curriculum and Engage NY Math, selecting one as their primary resource and the other as a secondary resource.

Bilingual Transference classrooms will be able to use the Engage NY Math because student materials have just recently become available.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

At Alisal Community School, parents have many opportunities to participate in their children's learning activities, including Koffee Klatch, School Site Council, and the Parent Patrol. Parents are also invited to volunteer in their student's classrooms to help teachers prepare materials for lessons and to read to our students.

Parents are also instrumental in our Winter "Las Posadas" celebrations, Fall Harvest Carnival, and Spring Talent Show. Parents are always encouraged to attend parent-teacher conferences, Open House, Trimester Awards, and Family Reading and Math Nights as well.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student safety is of the utmost concern at Alisal Community School. Our campus supervisors, and parent patrol which is made up of parent volunteers, supervises students both before and after school. While on campus, students are supervised at all times by teachers, campus supervisors, and school administrators. Visitors to the school must report to the main office and sign our visitors' log.

Our School Safety Plan is reviewed annually. It includes procedures for dealing with a variety of emergency situations such as earthquakes, fires, bomb threats, and intruders on campus. We share this plan with staff and parents yearly, and there are copies in each classroom so that teachers can refer to them immediately. Earthquake and fire drills are held monthly throughout the year.
