School Description

Creekside School is located in a quiet suburban neighborhood on the north side of Salinas. The motto of our school is Excellence In Education. The school's mission is to provide quality multicultural education in a safe, nurturing environment. We challenge students to achieve to their highest potential through a supportive partnership of teachers, administrators, classified employees, parents, and community. At Creekside Elementary School we are committed to educating all students, we live by the belief that all students can and will learn.

The challenge that Creekside faces are common throughout many educational facilities nation wide: poverty, language barriers, and limited resources for families. We are committed to bring all students to a level of proficiency in the English Language as a means to ensure their success and be competitive in higher education markets. As a team of professional educators we instruct, assess, and analyze student data as a means to guide instruction specific to the needs of all students. We are making tremendous gains in the areas of curriculum and instruction development as well as technological proficiency that supports the new Common Core State Standards.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (831) 753-5252.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

In order to support classroom professionals in teaching the Language Arts and Math Common Core State Standards, Engage NY curriculum, in both content areas is being recommended to fill gaps in the Treasures curriculum and those that have also been found in the Everyday Math curriculum.

Both Engage NY Language Arts and Math were piloted and feedback from teachers attested to the ability of these common core resources to meet the requirements of the new state standards and fill gaps in our current adoption materials.

In Language Arts:

K-1-2 will continue to use Treasures to teach Foundational Skills and use the Engage NY Listening and Learning Domains to address the remaining standards.

3-6 will use Engage NY solely to teach all Language Arts standards.

Because Engage NY is not yet available in Spanish, Bilingual Transference classrooms will continue to use Tesoros and adapt it as needed to meet the common core state standards.

In Math:

At K-6, teachers will use both the adopted Everyday Math curriculum and Engage NY Math, selecting one as their primary resource and the other as a secondary resource.

Bilingual Transference classrooms will be able to use the Engage NY Math because student materials have just recently become available.

School Facility Conditions and Planned Improvements (Most Recent Year)

Creekside School opened in September 1998 and is a modern educational facility. The school site is located adjacent to a city park. There are 33 modern classrooms, a large multipurpose room and cafeteria, an office building incorporating a staff lounge, nurse's office, and handicapped-accessible bathroom facilities. The library is in a separate building and combined with the brand new computer lab. We have one day custodian and two night custodians who keep our facilities clean and well maintained. The campus also became completely secured by locking gates (closed campus).

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

In the 2013-14 school year our parent involvement included multiple LCAP meeting to inform parents of the new LCFF funding allotments. The Creekside Parent Teacher Club (PTO) involves parents and staff in raising funds to support student academic achievement. The PTO supports many valued additions to the Creekside curriculum, including educational field trips, supplemental reading materials, Literacy Month activities. Creekside parents participate in school governance through the School Site Council, the English Learner Advisory Committee, and the District English Learner Advisory Committee. Creekside teachers held grade level meetings as a means to bring parent awareness in ways to support their children in their academic progress.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a top priority at Creekside. The buildings and grounds are monitored and inspected each morning by the head custodian and the administration to note potential physical dangers. Supervisors, custodians, and administrators consistently monitor the school site for adults entering the campus. All visitors are directed to check in and out at the front office and wear a visitor badge while on campus.

The initial School Safety Plan was developed by a safety committee consisting of school administration, teachers, parents, and classified employees and approved at a public meeting on October 6, 1998. The most current revision was completed in Spring 2014. We conduct fire, earthquake, hostile intruder, or evacuation safety drills monthly.

Suspensions and Expulsions

Types of Services Funded at Creekside Elementary School

The following priorities were included in the SPSA with support from funding allocated to the site; intervention teachers, Imagine Learning (first grade students), PBIS (positive behavior intervention system) Accelerated Math (third -sixth grades), Stick-n-Stones.

Professional Development provided for Teachers at Creekside Elementary School

The major areas of professional development for teachers in 2013-2014 included the following:

- Standards-based planning for instruction, learning and assessment
- Explicit Direct Instruction
- Side by Side (for teachers facilitating Structured English Immersion classes)
- Lesson Design and Engagement
- Coaching Cycles (for Academic Coaches)
- Teaching to the Math standards (primary grade teachers)
- Engage New York Common Core Language Arts and Math trainings.

Professional development was delivered through grade level sessions during regular work days with release time for classroom teachers.

Teachers were supported during implementation by the site's Academic Coach.
